

CENTRAL BANK OF BOLIVIA
REVISTA DE ANÁLISIS

Call for papers

Presentation

Revista de Análisis is an academic publication of the Central Bank of Bolivia (BCB), edited twice a year, that includes research papers that contribute to economic debate with scientific rigor.

Call for Papers

Under the regulations of the Editorial Board (EB) approved by the BCB Board Resolution 29/2009 of March 26th, 2009, we invite professionals and researchers to submit research papers in the area of macroeconomics and economic policies. The contents of the volume will have special emphasis on **"The credit market, and the factors which affect credit supply and demand in Bolivia."**

The papers received will be evaluated by the EB with the participation of anonymous reviewers (or referees) thus ensuring the impartiality and seriousness of the process. Selected papers will be published in Volume 14 of *Revista de Análisis*.

It is recommended to take into account the following aspects:

1. Papers can be addressed from both a theoretical and empirical perspective.
2. Papers can be written in Spanish or English.
3. Papers should be sent in Word or PDF format, to the following email address: revistadeanalisis@bcb.gob.bo. The message to be sent must include personal data of (the) Author(s) (name, phone number, address and e-mail). Authors will receive an e-mail which will confirm receipt of the work.
4. The contents of articles must be original and unpublished.
5. The first page of the document should include the following information: title of the article, name(s) of (the) author(s), abstract no longer than 150 words, up to five keywords, and no more than five JEL classification codes. It is important to consider that only the first page should contain information regarding the name of (the) author(s) and institutional affiliation, if applicable.
6. The extension of the papers should not exceed 40 pages in Arial font 11 or similar, and 1,5 line spacing (including annexes).
7. Papers must be elaborated by following the instructions of the *Guía de Estilo de la Revista de Análisis del BCB*, available on the **Publicaciones** menu, and within it, in the link *Revista de Análisis* of the institutional website www.bcb.gob.bo. This requirement is an essential prerequisite for the final publication of the document.
8. The deadline for papers submission is October 29th, 2010.

It is also announced that contents of Volume 15, which will be published in the second half of 2011, will be focused on economic analysis topics, and it will be open to research papers related to the **Plural Economy** in the current Bolivian model. The corresponding Call for papers will be published soon.
